**"HIGHEST RANKED
LARGE HEAVY DUTY PICKUP
IN INITIAL QUALITY"¹**
— J.D. Power, 2018

¹The Ford Super Duty received the lowest rate of reported problems (tie) among Large Heavy Duty Pickups in the J.D. Power 2018 U.S. Initial Quality Studies of new vehicle owners' experience with their own vehicle after 90 days of ownership. Visit jdpower.com/awards.

Thank you for your interest in the 2019 Ford Super Duty®. This brochure features information, specifications and images that will help you learn more about this vehicle.

DURABILITY: Today's Super Duty brings toughness and dependability to your job with its high-strength, military-grade, aluminum-alloy body and a frame built of over 95% high-strength steel.

CAPABILITY: The heavy-duty pickup you'll want on your crew is the Super Duty. Super Duty combines strength and durability with proven performance to deliver outstanding towing and payload capability.

PERFORMANCE: Super Duty turbo-diesel and gas engines deliver all the high-torque muscle and dependability you would need to take on the tough everyday jobs you face on the job site or on the road.

PRODUCTIVITY: The Ford Super Duty is built to work hard. And available technologies such as BLIS® (Blind Spot Information System), Trailer Reverse Guidance and SYNC® 3 help you work more productively.

SUPER DUTY LIKE NO OTHER

This beast is something special. “What a workhorse,” says *Motor Trend*. Its name – stamped front and center. And Super Duty only gets tougher from there. This year, a new F-450 Regular Cab 4x2 hits the ground towing a best-in-class¹ 35,000 lbs.² A new LARIAT Sport Package³ on 4x4 Crew Cab models delivers your gear to the trailhead in style with blacked-out exterior trim and black-painted aluminum wheels.

Inside, a new specially tuned, 1,000-watt B&O PLAY™ Premium Audio System by HARMAN⁴ gets the cabin rocking like never before. While a new FordPass™ Connect 4G LTE Wi-Fi hotspot^{4,5} lets you – and the crew – connect up to 10 devices.

As America’s best-selling truck for 41 years, Ford F-Series helps you finish jobs others won’t even start. From F-250 to F-450, in work-ready XL to fully loaded LIMITED, this truck’s work ethic is legendary. The 2019 Ford Super Duty. Rock solid. Ready for duty.

2019 Super Duty® | ford.com

F-250 LARIAT Crew Cab 4x4. Magnetic. Available equipment. ¹Class is Full-Size Pickups over 8,500 lbs. GVWR based on Ford segmentation. ²When properly configured. See Towing chart in Specifications for maximum ratings by configuration. ³Available Fall 2018. ⁴Available feature. ⁵Certain restrictions, 3rd-party terms, or message and data rates may apply. See footnotes 6 and 7 on XL Features pages and your Ford Dealer for details.

Vehicles throughout this publication may be shown with optional and aftermarket upfit equipment and without standard antenna.

Imagine how much an F-Series Super Duty will haul over its lifetime. Stumps. Brush. Fence posts. Cinder blocks. Hay bales. Aggregate. Tools. Generators. Landscaping materials. Pea gravel. 5th-wheel/gooseneck trailers. This cargo box is engineered with extreme capability in mind.

It's the first and only one in its class made from high-strength, military-grade, aluminum alloys.¹ Dent-and-ding resistance inside: better than steel. Susceptibility to red rust: gone. The only thing more special is this: best-in-class max. payload can sit inside these walls.

2019 Super Duty® | ford.com

F-350 XLT SuperCab 4x4. Blue Jeans. XLT Premium Package. Available equipment.

¹6000-series aluminum alloy.

NEW LARIAT SPORT PACKAGE.¹ Hook up your ATVs and dirt bikes, and head out to the trailhead. Available on F-250 and F-350 LARIAT Crew Cab 4x4 SRW models, the new LARIAT Sport Package adds rear wheel-well liners, a Tough Bed[®] bedliner, blacked-out headlamp surrounds² plus high-gloss, black-painted grille bars, running boards, mirror caps and fender vent surrounds. 20" premium black-painted aluminum wheels complete the athletic look.

2019 Super Duty[®] | ford.com

F-350 LARIAT Crew Cab 4x4. Agate Black. LARIAT Sport Package. Available equipment.

¹Available Fall 2018. ²Halogen headlamps only.

THE DNA OF BFT

Built Ford Tough® is more than just a brutal testing regimen. It's a battle cry. One filled with honor, courage and determination to never rest – until the job's done right. With over 12 million cumulative miles of customer-equivalent testing logged, the all-new 2017 and successive 2019 Super Duty earned their Blue Ovals. Being tortured in the lab. On the proving grounds. And working in the real world. By running up and down steep grades. With maximum trailer weights. Then up and down again. In subzero cold. And in stifling heat. With more trucks on the road with 250,000 miles than any other brand, there's nothing tougher than Ford F-Series.¹

All Super Duty pickups have 6 airbags, including the side-curtain airbags of the Safety Canopy® System. Crew Cab models also offer class-exclusive inflatable rear safety belts² for rear outboard passengers to further enhance occupant protection.

Try to avoid water higher than the bottom of the hubs and proceed slowly.
Refer to your owner's manual for detailed information regarding driving through water.

2019 Super Duty® | ford.com

F-350 XL SuperCab 4x4. Ingot Silver. STX Appearance and FX4 Off-Road Packages. Available equipment. ¹"More trucks on the road" based on IHS Markit Vehicles in Operation (VO) data and latest odometer readings available to IHS Markit for 1992 and newer model year full-size pickups still on the road in the U.S. as of 4/1/2018. ²Available feature.

We virtually test Super Duty components in the lab, then punish vehicles at the proving grounds towing dynamometer sleds. Then on public roads and highways at temperatures from -20° to 120°F. We also put prototype models in the hands of people like you, working in some of the most demanding industries. We conduct thermal shocks that swing ambient temperature 250°F in under 2 minutes, as well as powertrain tests that replicate going up a 6% grade over 500 miles. Super Duty also endures 4-post frame-twists, gravel, water, salt brine and mud baths. We're talking about extreme conditions – far beyond what you would likely encounter. All so that you can be confident that Super Duty is engineered to handle your toughest jobs. And more.

NO RED RUST. THAT'S OUTSIDE-THE-BOX THINKING. And just one amazing benefit of the first-and-only body and cargo box in its class made from high-strength, military-grade, aluminum alloys. It's also more ding-resistant than the previous-generation Super Duty. And by saving up to 350 lbs. of weight, it allowed us to upgrade essential components – frame, axles, leaf springs, transfer case, driveline and trailer hitches.

UP TO 24 TIMES STIFFER THAN THE PREVIOUS GENERATION. Thanks to a fully boxed ladder frame made with high-strength steel and through-welded, closed-section crossmembers. The result? The best ride and steering of any Super Duty ever.

EXTREME DURABILITY AND CORROSION PROTECTION results from an e-coat paint process that electrostatically bonds a protective barrier to the frame.

THE LARGEST BRAKE ROTORS in the class belong to F-450. When you're hauling tons of equipment, you need sure stopping power.

STANDARD: F-450 - ALL TRIMS

AXLES ARE STRONG and capable. Ratios range from 3.31 to 4.30. Choices include non-limited-slip, limited-slip and electronic-locking¹. Gear and bearing designs are engineered and optimized by weight for the extreme capability of the 2019 Super Duty.

DRIVESHAFTS, TRANSFER CASES AND U-JOINTS are engineered to handle the monstrous torque output of both Super Duty engines. In the 4WD transfer case, an electro-magnetic clutch provides smooth and immediate shift-on-the-fly capability in conditions where additional traction is needed.

LARGE 2.5" AND X-LARGE 3" TRAILER HITCHES are built right into the frame, extending so far underneath (and using so much high-strength steel) that weight-equalizing bars aren't needed – saving time and effort when hooking up a trailer. On many configurations, hitches are weight-carrying² up to the max. tow ratings.

Until the job site is poured and screeded, you rely on Super Duty to get your heavy equipment and tools through mud, sand, snow and difficult terrain. Thankfully, on 4x4 models with electronic shift-on-the-fly, engaging 4WD is as simple as setting the proven manual-locking front hubs to AUTO and turning a dial on the instrument panel. In the 2019 Ford Super Duty, you're well-prepared to conquer the toughest terrain.

FX4 OFF-ROAD PACKAGE. Increase your off-road capability by adding transfer case and fuel tank skid plates, Hill Descent Control,[™] and off-road-tuned shocks that help get you ready for serious, low-speed crawling. An electronic-locking rear differential¹ (SRW models) uses a true mechanical dog-clutch mechanism to lock the rear axle shafts together so they turn at the same speed for maximum gripping power.

AVAILABLE: ALL TRIMS

SUPER DUTY CAPABILITY

There's capability. And then there's Super Duty capability. Our owners expect the best. The 2019 Ford Super Duty delivers. On multiple levels. Need to tow more than 17 tons? You'll be driving a Super Duty. If your conventional towing needs approach 21,000 lbs., that's Super Duty as well. Want to haul more than anyone else? Then load up the cargo box of a Super Duty. Get the picture? No matter what limit you need to test, you'll find your answer in an F-250, F-350 or F-450 Ford Super Duty.

SUPER DUTY MUSCLE

Among heavy-duty trucks, torque is king. And Super Duty boasts more than anyone else in the kingdom. Its B20-capable 6.7L Power Stroke® V8 Turbo Diesel¹ and 6.2L V8 gas engines both lead their categories in torque delivery. A rugged TorqShift® 6-speed SelectShift® automatic transmission that's just as hard working is paired with them. Its progressive range select mode lets you narrow the available gear range in difficult road/load conditions, while tow/haul mode reduces frequent gear shifting on uphill grades and allows engine braking to help maintain vehicle speed while descending.

Plus, a live-drive power takeoff (PTO) provision¹ for accessory operation delivers power anytime, providing stationary and mobile-mode PTO capability. Both engines and the transmission are designed, engineered and built by Ford, so each Built Ford Tough® powertrain works seamlessly with chassis components and vehicle calibrations.

6.7L POWER STROKE® V8 TURBO DIESEL

Its class-leading torque output speaks volumes to the workers who rely on it daily. “That is closing in on 18-wheeler levels of twist,” says *AutoWeek*. Twin-pilot injection delivers smooth, quiet acceleration. Excellent throttle response is delivered in part by a high-pressure, common rail fuel injection system. The fuel pump develops up to 29,000 psi operating pressure, and piezo-controlled fuel injectors provide precise injection. Robust high-altitude performance comes courtesy of the high airflow supplied by the diesel’s variable-geometry turbocharger. Tuned specifically for this application, the turbocharger forces air into the cylinders to deliver maximum power quickly. A driver-controlled engine exhaust brake with on, off and auto settings allow the use of engine braking to help slow down and control vehicle speed. Large fuel tanks – up to 48 gallons maximum¹ – help extend range.

- F-250/F-350: LIMITED F-450: ALL TRIMS
- F-250/F-350: XL, XLT, LARIAT, KING RANCH®, PLATINUM

Strength and integrity of the diesel is maintained by a masterful mix of component materials. Compacted graphite iron (CGI) imparts strength and durability to the deep-skirt engine block, while reducing weight. Cylinder heads made of aluminum help to further reduce weight and feature a 6-head-bolt-per-cylinder design to help improve sealing and maintain cylinder integrity.

CLASS - BEST
450 HORSE
POWER

6.2L 2-VALVE GAS V8 FFV

A stiff SOHC valvetrain with roller-rocker shafts enables an intake- and exhaust-port layout that optimizes airflow, helping the E85-capable 6.2L V8 engine produce plenty of torque down low. Dual-equal variable cam timing phases the intake- and exhaust-valve opening and closing events simultaneously to optimize low-end torque and peak horsepower. By supplying working power throughout the rpm range, the 6.2L V8 delivers an exceptional combination of driveability, hauling and towing performance.

- F-250/F-350: XL, XLT, LARIAT, KING RANCH, PLATINUM

COMPRESSED NATURAL GAS (CNG)/PROPANE CAPABILITY. A CNG/Propane Gaseous Engine Prep Package readies Super Duty gas models to be upfit for compressed natural gas (CNG) or propane autogas. Providing flexibility and extended range, trucks upfit to a bi-fuel system have the ability to switch between CNG or propane and gasoline and include tanks for each type of fuel. By doing so, you may even qualify for state incentives related to alternative fuel use. Visit www.afdc.energy.gov/afdc/laws for details.

- XL, XLT, LARIAT, KING RANCH, PLATINUM

Iron-clad durability of the gas engine block stems from reliable cast-iron construction, with 4-bolt main bearing caps, including 2 additional cross bolts. Piston-cooling jets contribute to durability as well by maintaining cooler piston temperatures and improving oil warm-up, especially under heavy-duty operating conditions.

SUPER DUTY BRINGS CONFIDENCE IN TOW.

Your 2019 F-Series Super Duty can be equipped with an array of convenient driver-assist features¹ that help you tow more than you ever thought possible. Adaptive cruise control^{1,2} makes handling all that weight seem almost effortless, while adaptive steering^{1,2} makes parking easier at your destination.

To help you keep truck and trailer in line, avoid a collision, and even stay in your lane, sophisticated radar¹ and up to 7 strategically placed cameras¹ are at your service – inspiring confidence on every journey.

CLASS-EXCLUSIVE ADAPTIVE CRUISE CONTROL helps maintain your choice of speed and preset gaps from the vehicle in front of you. It can also alert you to a potential collision. If one is detected, adaptive cruise control & forward collision warning with brake support^{1,2} flashes a warning on the windshield, sounds an alarm, and can pre-charge the brake system to provide full responsiveness when you do brake.

● LIMITED ○ LARIAT, KING RANCH, PLATINUM

CLASS-EXCLUSIVE ADAPTIVE STEERING^{1,2} adapts to different driving conditions and reduces the amount of steering input needed, depending on speed and load. Whether backing up, trailering or maneuvering through a parking lot, this helps make Super Duty more manageable to drive, especially with a load in tow.

● PLATINUM, LIMITED ○ LARIAT, KING RANCH

CLASS-EXCLUSIVE INDIVIDUAL TRAILER TIRE PRESSURE MONITORING SYSTEM¹ can monitor and display the individual tire pressures of a connected trailer. This class-exclusive system can alert you if any tire's pressure is low on the 8" color LCD productivity screen.¹ A numerical value will even tell you how low.

○ XLT, LARIAT, KING RANCH, PLATINUM, LIMITED

LANE-KEEPING ALERT^{1,2,3} can detect lane markings and send vibration pulses to the steering wheel if it senses Super Duty drifting unintentionally out of its lane.

● LIMITED ○ LARIAT, KING RANCH, PLATINUM

ADVANCETRAC[®] WITH RSC[®] (ROLL STABILITY CONTROL[™])⁴ utilizes gyroscopic sensors to help keep all wheels firmly planted. By selectively applying brakes and modifying engine power, it enhances vehicle stability in a wide range of driving conditions.

● ALL TRIMS

TRAILER SWAY CONTROL⁴ monitors the motions of the truck to detect trailer sway and selectively applies the brakes as needed, helping you maintain control of the truck and the trailer.

● ALL TRIMS

CLASS-EXCLUSIVE BLIS[®] (BLIND SPOT INFORMATION SYSTEM) WITH TRAILER COVERAGE^{1,2} alerts you with a light in either sideview mirror if its radar sensors detect a vehicle in the corresponding blind spot. The system is optimized for Super Duty to extend the range of BLIS to include a conventional trailer, once programmed into the productivity screen.

● PLATINUM, LIMITED ○ XL, XLT, LARIAT, KING RANCH

● STANDARD ○ AVAILABLE

2019 Super Duty[®] | ford.com

¹Available feature. ²Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ³Lane-keeping alert does not control steering.

⁴Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

WORKING HARD TO EXPAND YOUR VISION.

When there's valuable equipment in tow, what you can see from the driver's seat can help make all the difference. Strategically placed cameras^{1,2} not only aid in hooking up your trailer to Super Duty, but in maneuvering it as well. On all models, a rear view camera is standard. Then, from XL all the way to LIMITED, upgrade to the Ultimate Trailer Tow Camera System.^{1,2} It adds high-definition 180-degree front and side cameras for a 360-degree view around the truck, a center high-mounted stop lamp (CHMSL) camera, as well as Trailer Reverse Guidance. You can even attach a weatherproof, customer-placed trailer camera^{1,2} to the rear of your trailer to see behind it. In all, up to 7 cameras^{1,2} help make the 2019 F-Series Super Duty the ultimate towing machine.

Clockwise from upper left:

FRONT SPLIT VIEW supplies a 180-degree view in front of Super Duty. This allows you to see to the left and right before you have a line of sight, displaying a view around corners and out of parking spots as you slowly drive forward.

REAR CHMSL CAMERA VIEW WITH ZOOM FUNCTION is particularly helpful when connecting your 5th-wheel/gooseneck trailer.

REAR + 360 VIEW provides a rear view, plus the 360-degree view generated by the front, rear and sideview mirror cameras.

TRAILER REVERSE GUIDANCE³ automatically switches between side and rear camera views to show you what's most relevant while backing up your trailer, and provides overlays to guide you.

STAY CONNECTED ON THE MOVE

IT ALL STARTS HERE

This vibrant 8" touchscreen is the command center of SYNC® 3 voice-activated technology,^{1,2} which integrates your paired mobile phone with Ford Super Duty as soon as you start your truck. Make calls. Send and receive text messages. And so much more. Just swipe left or right, or use simple voice commands, to help ensure that your life doesn't miss a beat. SYNC 3 also features 2 smart-charging USB ports to help keep your devices powered up.

LINK YOUR APPS

SYNC 3 AppLink^{®3} links your favorite compatible mobile apps with your voice, giving you convenient control. iPhone[®] users can view the Waze[™] app's community-based navigation and traffic features on the large SYNC 3 touchscreen. Amazon Alexa users can access thousands of skills and services they enjoy on their Amazon Echo with the Ford+Alexa⁴ app.

CONNECT TO FORDPASS CONVENIENCE

New FordPass[™] Connect's 4G LTE Wi-Fi hotspot^{2,5} lets passengers connect tablets, laptops and smartphones. It includes a complimentary 3-month or 3GB data trial. And that's only part of its convenience. Together with the FordPass smartphone app,⁶ FordPass Connect allows you to remotely start² your truck and climate control system using your smartphone. As well as locate your vehicle and check approximate fuel range. FordPass also helps you find fuel and compare prices. Find, reserve and pre-pay for parking in select locations. Plus, get help 24/7 from our trained team of Ford Guides.

CONNECT YOUR iPhone

Apple CarPlay[™] compatibility^{2,7} displays the iPhone interface on your vehicle's touchscreen. Send and receive text messages by voice. Get directions. Access playlists from Apple Music.[®] Just ask Siri[®] for help. She already knows your voice.

CONNECT YOUR ANDROID PHONE

Android Auto[™] compatibility^{2,7} displays the Android[™] interface on your vehicle's touchscreen. Get voice-guided navigation from Google Maps[™] and Waze. Access your favorite music from your apps. Make calls. Send and receive messages. Just talk to Google[™] Assistant and go.

MAP YOUR ROUTE

Voice-activated navigation² delivers turn-by-turn directions and vivid 3-D maps on the SYNC 3 touchscreen. Pinch-to-zoom capability allows for a closer look. SiriusXM[®] Traffic & Travel Link^{®8} helps you avoid traffic – before you're in the middle of it. It also provides fuel prices and station locations. Current and forecasted weather. Movie locations and showtimes. Plus, the scores of your favorite sports teams, and more.

2019 Super Duty[®] | ford.com

KING RANCH

Conveys Southwestern luxury at its finest, starting with the standard two-tone exterior trim. Inside, Kingsville leather trim covers the heated and cooled 10-way power front seats, flow-through console lid and heated steering wheel of the KING RANCH® Crew Cab. Seat backs, floor mats, center console lid and wheels are branded with the legendary "Running W" logo of the historic King Ranch in Kingsville, Texas. Voice-activated Navigation with SiriusXM® Traffic and Travel Link® helps guide you on your way.

F-350 Crew Cab 4x4. White Platinum/Stone Gray. Chrome Package. Available equipment shown.

PLATINUM

A cut above, with standard LED lighting front and rear (headlamps, fog lamps and taillamps), as well as polished aluminum wheels, plus satin-aluminum and chrome exterior accents. Inside, multicontour premium leather-trimmed front seats with Active Motion® are trimmed in Dark Marsala or Black. Adaptive steering and BLIS® with trailer-tow coverage improve on your already powerful capability. The 2019 Super Duty PLATINUM.

F-450 Crew Cab 4x4. Agate Black. Available equipment shown.

LIMITED

This is the most luxurious, technologically advanced Super Duty ever. LIMITED comes ready to work with the 6.7L Power Stroke® V8 Turbo Diesel, electronic shift-on-the-fly 4WD, and the Ultimate Trailer Tow Camera System all standard. As well as a truckload of amenities that includes polished aluminum wheels and class-exclusive power-deployable running boards. When you expect nothing but the best, step up to LIMITED.

F-450 Crew Cab 4x4. White Platinum.

PACKAGES

Capability Packages: content can be found on the following pages

CAPABILITY PACKAGES

CAMPER PACKAGE:¹ front springs upgrade (unless maximum springs have been computer-selected as included equipment), rear stabilizer bar (SRW), auxiliary rear springs (F-250), and slide-in camper certification

○ XL, XLT, LARIAT, KING RANCH®

CNG/PROPANE GASEOUS ENGINE PREP PACKAGE (F-250/F-350 gas engine): hardened engine intake valves and valve seats and bi-fuel manifold

○ XL, XLT, LARIAT, KING RANCH, PLATINUM

PICKUP BOX DELETE¹ (F-250/F-350 with 8' box only): deletes pickup box, tailgate, rear bumper, 7-/4-pin connector, CHMSL with cargo lamp, jack, spare wheel, tire, lock, carrier, and rear view camera (rear view camera and prep kit is available)

○ XL, XLT

HEAVY-SERVICE FRONT SUSPENSION PACKAGE FOR PICKUP BOX DELETE¹ (SRW with pickup box delete): front springs upgrade (unless maximum springs have been computer-selected as included equipment), rear auxiliary springs (F-250), and rear stabilizer bar

○ XL, XLT

SNOW PLOW/CAMPER PACKAGE¹ (4x4): computer-selected front springs for snow plow application, extra-heavy-duty alternator, rear stabilizer bar (SRW), auxiliary rear springs (F-250), and slide-in camper certification

○ XL, XLT, LARIAT, KING RANCH

9,900-LB. GVWR PACKAGE¹ (F-250)

10,000-LB. GVWR PACKAGE¹ (F-350 SRW)

11,400-LB. GVWR PACKAGE¹ (F-350 SRW)

13,000-LB. GVWR PACKAGE¹ (F-350 DRW)

5TH-WHEEL/GOOSENECK TRAILER TOW PREP PACKAGE:¹ 1 under-bed frame crossmember, 5 pickup bed 5th-wheel/gooseneck attachment points and close-out plugs, and an integrated 7-pin connector on the driver's side pickup bed wall

F-250 HIGH-CAPACITY TRAILER TOW PACKAGE¹ (F-250 with diesel engine): 3.0" trailer hitch receiver, max. front springs, upgraded axles and 25,700-lb. GCWR

FX4 OFF-ROAD PACKAGE¹ (4x4): Hill Descent Control,[™] off-road-tuned shocks, skid plates for transfer case and fuel tank, and FX4 Off-Road box decals

HEAVY-SERVICE FRONT SUSPENSION PACKAGE:¹ front springs upgrade (unless maximum springs have been computer-selected as included equipment)

SNOW PLOW PREP PACKAGE¹ (4x4): computer-selected springs for snow plow application, and extra-heavy-duty alternator

2019 Super Duty® | ford.com

SRW = single rear wheel DRW = dual rear wheel WB = wheelbase SWB = short wheelbase (6.75' cargo box) LWB = long wheelbase (8' cargo box) ¹Requires F-250 High-Capacity Trailer Tow Package. ²Gooseneck tow rating shown. 5th-wheel tow rating limited to 5th-wheel hitch rating of 18,000 lbs. ³Gooseneck tow rating shown. 5th-wheel tow rating limited to 5th-wheel hitch rating of 27,500 lbs. ⁴25% Weight Distribution setup required.

Maximum capabilities shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. For additional information, see your Ford Dealer. **Conventional/Gooseneck Towing Notes:** This information also applies to models with Pickup box delete option (66D). Trailer tongue load weight should be 10% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate trailer tongue load weight and the weight of passengers and cargo added to the towing vehicle. The addition of trailer tongue load weight, and the weight of passengers and cargo, must not cause vehicle weights to exceed the rear GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle's Safety Compliance Certification Label.

5th-Wheel Towing Notes: This information also applies to models with pickup box delete option (66D). Trailer king pin load weight should be 15% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate trailer king pin load weight and the weight of passengers and cargo added to the towing vehicle. The addition of trailer king pin load weight, and the weight of passengers and cargo, must not cause vehicle weights to exceed the rear GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle's Safety Compliance Certification Label.

New Vehicle Limited Warranty. We want your Ford F-Series Super Duty® ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage on aluminum body panels – all with no deductible. The Ford 6.7L Power Stroke® diesel engine gets 5-year/100,000-mile warranty coverage. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Ford Original Accessories. They're warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
